SAFE WORK

Loss prevention poster series for North of England Members

BRIDGE MANAGEMENT

Safe work is North of England's loss prevention initiative to promote good practice and safe systems of work on board ship.

Safe work means that watchkeepers should be competent and properly trained for the tasks to be performed.

Safe work means adopting measures that take account of proper risk assessment.

Safe work means watchkeepers should adopt proper bridge team management procedures.

Safe work means that watchkeepers should prepare a proper voyage plan and monitor its implementation.

Safe work practices will reduce the number of incidents and accidents.
