

If you have insured cargo on board the following vessels and would like us to assist you in pursuing any claims arising from these incidents (or any similar cases), or if you require assistance in providing GA or salvage guarantees, please contact us as soon as possible.

Date: 25th August 2017 **Type:** Sank **Voyage:** UAE Ports

Reports have been received that Comoros flag vessel MONA (3,147gt, built 1986) sank on 25th August 2017 whilst berthed at Port Khalid.

Three injuries were reported following the incident. The containership, which had arrived in Sharjah the previous day, reportedly developed a list and capsized.

MONA traded between various ports in the UAE. She may also have been transshipment cargoes from elsewhere.
