Cargo ship KM SHIPPO 16 capsized and sank along berth at Lewobela Port, Lembata island, Banda sea, Indonesia, at around 1815 LT Dec 10. The ship is deployed in Indonesian Government TOL LAUT (Maritime Highway) program, which was launched several years ago to boost sea connectivity and cut shipping costs, and lists more than 100 ships and a number of private owners. No data on KM SHIPPO 16 found.
